State Specific – Illinois			✓	46367 46914 47120 47307 47455 47587 47799 47847	Screens, reports, and processes specific to Illinois
State Specific – New Jersey			✓	44650 42718 44599 47038	Screens, reports, and processes specific to New Jersey

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
State Specific – New Mexico		✓	✓	26553 43289 44021 44078 44557 45431 46479 48402 48655	Screens, reports, and processes specific to New Mexico
State Specific – New York			✓	41751 47904	Screens, reports, and processes specific to New York
State Specific – Pennsylvania			✓	46237	Screens, reports, and processes specific to Pennsylvania
State Specific – Rhode Island			✓	40560 44676 44847 45785 46773	Screens, reports, and processes specific to Rhode Island
State Specific – Texas			✓	34006 47021	Screens, reports, and processes specific to Texas

## 2 CHANGES IN 4.1.0

The following table lists the changes made to SchoolMAX® in version 4.1.0. A check under “User’s Guide” or “Release Note” indicates that the change is described in more detail in a User’s Guide or the Release Notes document provided with this version of SchoolMAX. A check under “Summary Only” indicates no additional description of the change other than that provided in the “Summary Description of Change” column.

Module	User’s Guide	Release Note	Summary Only	CRF	Summary Description of Change
Attendance			✓	7225 7226 44987 46970	Modifications have been made to the “ <b>Mark Attendance</b> ” (AT221) screen to: - Correctly display the Student list by homeroom. - Correctly match the Attendance key with the Attendance index when accessing the (AT400) screen - Display a warning message that data will be changed when the [Perfect Attnd] button is clicked. - Display an error message when a second user attempts to duplicate taking attendance.
Attendance		✓		13000	New screen: “ <b>Class Attendance Update Interface</b> ” (AT742).
Attendance			✓	20305 38664	The <b>ATOCCUR</b> Report has been fixed so that it: - Correctly prints double-spaced. - Prints the correct Teacher’s Name at the top of each list.
Attendance	✓			32846 32850 32893 45679	<i>Attendance Notification User’s Guide 4.1.0.doc</i>
Attendance		✓		32847	The <b>ATMISGATTN</b> Report has been modified by adding a date range.
Attendance			✓	34680	The “ <b>Student Daily Attendance</b> ” (AT220) screen has been modified so that the sequence of the <TAB> key moves the focus from the “Time Out” field to the “Search” field instead of to the [Delete] button.
Attendance			✓	36572	The “ <b>Student Attendance By Period</b> ” (AT430) screen has been modified to correctly display the “Student Name”.
Attendance		✓		37168	The “ <b>Daily Attendance Reports</b> ” (AT410) screen has been enhanced by adding the [Print Tardy times] radio buttons, to choose when printing the <b>ATCOMPRES</b> Report.
Attendance			✓	38025	The “ <b>Class Attendance Interface</b> ” (AT731) screen has been modified so that when the user’s initials are recorded as they make changes on the “ <b>Student Scheduling Information</b> ” (SC250) or the “ <b>Notes</b> ” (SC255) screen, they match the (SC055) table.
Attendance			✓	39583	The <b>ATPAWEEKLY</b> Report has been modified so that the “ADA” fields are now rounded at the second decimal.

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
Attendance		✓		40012	The " <b>School Attendance Parameters</b> " (AT210) screen has been enhanced with the addition of a new field for positive attendance validation. Positive Attendance Minutes validation has been added to the " <b>Positive Attendance By Class</b> " (AT241), " <b>Positive Attendance By Student</b> " (AT242), and the " <b>Positive Attendance By Date</b> " (AT244) screens.
Attendance			✓	42381	The <b>ADPDOCCUR</b> Report has been modified to print the student name in the summary.
Attendance			✓	43054	The " <b>Period Attendance By Class</b> " (AT231) screen has been modified to correctly display the course and section for all students.
Attendance			✓	44341	The <b>ATNITEPROC</b> Report has been fixed to not update empty "Attendance Reason" codes during the number of days specified on the " <b>School Attendance Parameters</b> " (AT210) screen.
Attendance			✓	46286 48112	<b>ATMISGATTN</b> Report has been modified to: - Print the day and time on every page. include or exclude daily attendance by teachers correctly, dependent on the attendance records for a specific day.
Attendance			✓	47039	The <b>ATPDROS2WK</b> Report has been modified to correctly print the student list for each segment course of the composite course, no matter how the student was scheduled into the courses.
Attendance		✓		47275	The " <b>Daily Attendance Menu</b> " (AT001) screen has been enhanced by the addition of a menu selection for the " <b>Student Notification History</b> " (ST450) screen.
Attendance			✓	47360	The " <b>Absent/Tardy Totals By Calendar Period</b> " (AT422) screen has been modified to correctly show the number of absences for a student when the student is absent for more than 100 days.
Census & Enrollment		✓		7273	New screen: " <b>Confidential Family Member Information with History</b> " (CE226)
Census & Enrollment	✓	✓		29949	New screen: "Teacher Assessment Entry" (ST297) New report: <b>STELIGLST</b> , " <i>Weekly Eligibility Report</i> "(no pass, no play)
Census & Enrollment			✓	38739	The " <b>Family Head(s) of Household</b> " (CE010) screen has been fixed to correctly pull the "Unit" field from the " <b>Dwelling</b> " (CE005) screen into the "Addr" field of the " <b>Mailing</b> " Section.
Census & Enrollment			✓	40915	Modifications have been made to automatically create a scheduling header record for the (SC050) and (SC051) screens. This change affects the following screens: " <b>School Default Values</b> " (SY080) " <b>Student Enrollment - School</b> " (ST208) " <b>Change Enrollment Status</b> " (ST209) " <b>Student Enrollment - District</b> " (ST210)
Census & Enrollment			✓	42297	The " <b>Family Member</b> " (CE220) screen has been modified to restrict changes to the "Test ID" field in the " <b>Personal</b> " section to users logged in with Administrative District privileges.

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
Census & Enrollment			✓	43955	Enhancements have been made on the <b>"Dwelling Residents By Address" (CE405)</b> screen that allow for searches by Rural Box and Rural Route.
Census & Enrollment			✓	44294	The <b>"Dwelling Residents By Address" (CE405)</b> screen has been modified when searching to show addresses starting with those closest to the entered values for the search.
Census & Enrollment			✓	44963	The <b>"Student Notification" (ST050)</b> screen has been modified by eliminating possible redundant messages.
Census & Enrollment			✓	45961	The <b>"Non-Title I Student Services" (ST231)</b> screen has been modified to correctly scroll among records.
Census & Enrollment			✓	45997	The <b>"Student Information" (ST009)</b> screen has been modified so that it immediately updates after new entries have been made on the <b>"Student Intervention Entry" (EV205)</b> screen.
Census & Enrollment			✓	46499	The <b>"Student Information Printable Version" (ST004)</b> screen has been enhanced to now allow an Administrator or Counselor assignment made on <b>(SY230)</b> to override the Teacher restriction for seeing grade and/or transcript information.
Census & Enrollment			✓	47056	The <b>(ST208/ST210)</b> screens have been modified to correctly display the <b>"Student expelled from the last district school"</b> message for the correct enrollment record.
Census & Enrollment			✓	47391	The <b>"Student Information Printable Version" (ST004)</b> and the <b>"Student Information" (ST009)</b> screens have been modified to present the same information, use the same security, and correctly use the end-dated <b>(SY035)</b> record.
Census & Enrollment			✓	48029	The <b>"Education Code Table" (CE240)</b> screen has been modified to adjust the order of sequence the focus follows when the <b>&lt;Tab&gt;</b> key is pressed.
Census & Enrollment		✓		48488	The <b>"Dwelling Residents By Address" (CE405)</b> screen has been modified to allow searching by any combination of fields and their parts.
Census & Enrollment		✓		48605	The <b>(CE221)</b> screen has been enhanced with the addition of the <b>[Use this name on legal documents]</b> checkbox.
Counseling		✓		43211	The <b>"Counselor Menu" (CO001)</b> has a new layout to reflect the addition of Articulation functionality.
Counseling			✓	44101 47019	A user defined as a 'Counselor' on the <b>"Staff Member" (SY230)</b> screen can now enter notes on the <b>"Individual Counseling Log" (CO250)</b> and the <b>"Counselor Notes" (CO255)</b> screens as well as a 'Nurse' or 'Supervisor'.  The <b>(CO255)</b> screen has been modified to retain the Counselor ID when returning to the <b>(CO250)</b> screen.
Counseling			✓	46987	The <b>"Counseling Transcript Tracking Table" (CO283)</b> screen has been modified to retain leading zeros ('0') for Zip Codes. Also, the Counselor Module can be accessed using the "Next Screen" dropdown from all module menu screens.
Counseling			✓	47062	The <b>"Daily Counseling Log" (CO251)</b> screen has been modified to forward the selected record when navigating to the <b>"Individual Counseling Log" (CO250)</b> screen.

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
Counseling		✓		47552 47553 47554 47555	The " <b>Individual Counseling Log</b> " (CO250) and " <b>Daily Counseling Log</b> " (CO251) screens have been modified in several areas.
Discipline			✓	38135	The " <b>Student Intervention Entry</b> " (EV205) screen has been modified to prevent the same event number from being generated when two operators are working at the same time.
Discipline			✓	40802	The " <b>Student Intervention Entry</b> " (EV205) screen now displays a response code correctly when the character length is more than three characters.
Discipline		✓		40836	Several screens have been enhanced to support incident notes.
Discipline			✓	44420	Misspelled words and punctuation errors have been corrected in the <b>EVNOTICES</b> Report.
Discipline			✓	44927	The " <b>Response</b> " (EV230) screen has been modified to restrict teachers to those in the selected school.
Discipline			✓	47056	The <b>EVNOTICES</b> Report has had fixes made to calculations performed and has been updated with new letter selections.
Discipline			✓	47207	The " <b>Discipline Menu</b> " (EV001) screen has been modified to correctly display the description of the " <b>Discipline Parameters</b> " (EV095) menu item selection.
Discipline		✓		47222	The following screens have been enhanced with new fields: <b>"Dangerous Weapons Code Table"</b> (EV270) <b>"Discipline Miscellaneous Codes Table"</b> (EV290) <b>"Response"</b> (EV230)
Discipline			✓	47285	The <b>EVCMPDISC</b> Report has been modified so that the user can include a specific event code
Discipline			✓	47798	The " <b>Student Intervention Entry</b> " (EV205) screen has been modified to correctly validate the student enrollment and "Event/Response" codes.
Discipline		✓		48282	New report: <b>CRITEVMNT</b> , " <b>Critical Event Indicator</b> "
Document Tracking		✓		42739	The (DT220), (DT420), and (OS110) screens have been modified in several areas.
Document Tracking		✓		45531	Modifications have been made to the Document Tracking records that restrict access rights for viewing, adding, modifying and deleting records and notes.
Education Plan			✓	40080	The " <b>Education Plan Details</b> " (EP710) screen now allows multiple records with status 'D' or 'A' for the same EP Number to be added, but under different Plan Types.
Fee Admin			✓	42102	The " <b>Fee Payment</b> " (FE230) screen has been modified so that its listboxes now refresh properly after the [Change] or [Delete] buttons are clicked.

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
Grade Reporting and Transcripts		✓		20510	New screen: " <b>Flagged Courses Maintenance</b> " (TN223).
Grade Reporting and Transcripts			✓	32083	The <b>TNTRANOSS</b> Report has been modified to print three-character grades.
Grade Reporting and Transcripts		✓		36113	The " <b>Graduation Requirement - Credit Summary</b> " (GR430) and the " <b>Graduation Requirement - Credit Detail</b> " (GR435) screens have been modified to correctly display dropped courses.
Grade Reporting and Transcripts		✓		36657	Modifications have been made to the <b>TNTRANCS</b> Report to allow sorting transcripts by Teacher name when Class Period or Department is selected, and by Date.
Grade Reporting and Transcripts		✓		37771 39505 39647	The <b>GRCALCRANK</b> Report has been enhanced in several areas.
Grade Reporting and Transcripts			✓	40076	The " <b>Student Transcript Header</b> " (TN210) and the " <b>Student Transcript Inquiry</b> " (TN420) screens have been fixed to correctly display enrollment status and grade.
Grade Reporting and Transcripts			✓	42072	The <b>GRMAILER</b> Report has been modified so that the Report Card (Laser Mailer 8 ½ x 11") correctly prints the full address when using the Special Form <b>SPCA02</b> .
Grade Reporting and Transcripts		✓		42688 43996	The (GR025), (GR225), (TN210), and (SY255) screens, and the <b>TNTRANCS</b> , <b>TNTRANC1</b> , <b>TNTRANST</b> Reports, have been modified to capture and print student transcript comments.
Grade Reporting and Transcripts			✓	43525	The <b>TNTRANC1</b> Report has been modified to not print the 'Total ABS: 0000000' message when the "Print Absences" parameter is unset.
Grade Reporting and Transcripts		✓		43526	The <b>TNTRANCS</b> and <b>TNTRANC1</b> Reports have been enhanced with the new 'Don't Print "H=Honor/AP P=College Prep"' parameter.
Grade Reporting and Transcripts			✓	45276	The <b>GRDISTRIB</b> Report has been modified to adjust the spacing for the teacher and course information.
Grade Reporting and Transcripts			✓	45525	The GPA3 and GPA4 calculations have been modified to correctly calculate Honor Points when the "No Adj" (adjustments) box is checked on the " <b>Grading Strategies</b> " (GR210) screen.
Grade Reporting and Transcripts			✓	45936	The <b>TNTRANST</b> and <b>TNTRANC1</b> Reports have been modified to not print the word 'None'.
Grade Reporting and Transcripts			✓	46333	The <b>GRDISTRIB</b> Report has been fixed to print correct totals when sorted by teacher or course.
Grade Reporting and Transcripts			✓	46995 47178	The <b>GRMAILER</b> and <b>GRRPTNMAIL</b> Reports have been modified to correctly calculate attendance information.
Grade Reporting and Transcripts			✓	47023	The <b>GRRANKLIST</b> Report has been modified to correctly include students with enrollment end dates.
Grade Reporting and Transcripts	✓			47034	New report: <b>TNGRADDT</b>

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
Grade Reporting and Transcripts			✓	47397	The "Class Grading Pattern" (GR232) screen has been modified so that the presence or not of data in the "Final Grade Calc Weight" field has no effect on GPA calculations.
Grade Reporting and Transcripts			✓	47529	The <b>GRCALCRANK</b> Report has been modified to accept GPA input from the "Student Credits Override" (GR237) screen
Grade Reporting and Transcripts			✓	47631	The <b>GRHISTREP</b> Report has been modified so that the output is similar when run from the "Student Grade History Inquiry" (GR480) screen as when run through Report Ordering.
Grade Reporting and Transcripts			✓	47747	The <b>TNTRANSTU</b> Report has been modified to correctly print SAT scores.
Grade Reporting and Transcripts		✓		48139	New screen: "Mass Add Student Transcript" (TN222).
Grade Reporting and Transcripts			✓	48262	The <b>GRRPTNMAIL</b> Report has been modified to correctly print the entire address.
Graduation Standards			✓	41708	The "Student Test Scores" (GS255) screen has been modified to display the correct error message for an incorrect student ID.
Health			✓	31115	The "Immunization Requirements" (HE296) screen has been modified to cancel Administrator security rights and add District security rights.
Health		✓		32921	The "Examination and Growth" (HE231) screen and the <b>HEALTHDATA</b> and <b>HECURRHLTH</b> Reports have been modified to display and print the Body Mass Index (BMI).
Health		✓		36069	Enhancements have been made to the specific immunization rules to address issues in the following five states: MI, MN, NM, TX and CA that affect screens and reports in the Health Module.
Health		✓		42716	The (HE220) and (HE296) screens have been modified to note that immunizations have a 4-day grace period if the district's state or "Additional Health Factor" is California.
Health		✓		44276	The "Immunizations" (HE220) screen has been enhanced to display the "Need Booster" status for Td, DTP/Td and DTP/DTaP immunizations.
Health			✓	45170	The "Examination and Growth" (HE231) screen has been modified to display three digits in the number of days of the student's age in the format of (YY:DDD).
Health		✓		45671	The <b>HECONSTU</b> Report has been enhanced with a new parameter to print Health and Nurse Notes.
Health		✓		48039	New screen: "Mass Add Immunization" (HE221).

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
InfoDriver			✓	43267 44134 44277 45673 47042	<p>Modifications have been made to the following screens to allow file maintenance through InfoDriver:</p> <p>“Student Daily Attendance” (AT220)  “Response” (EV230)  “Fee Definition Table” (FE210)  “Fee Payment” (FE230)  “Vision and Hearing Screening” (HE230)  “Examination and Growth” (HE231)  “Student Transcript” (TN220)  “Class Definition” (SC560)  “Special Education Evaluation Record” (SP210)  “Special Education Event Record” (SP220)  “Special Education Service Record” (SP230)</p>
Scheduling		✓		23289	<p>The “School Scheduler” (SC351) screen has been enhanced by adding the new “Exclude End Status Code” field.</p> <p>When the scheduler <b>SCSCHNT</b> Report is initiated and scheduling succeeds, the <b>SCSEATS2</b> Report automatically starts.</p>
Scheduling		✓		25731	<p>The “Course Definition” (SC231) screen has been enhanced by adding the new <b>All Sections</b> link, which moves the user to the “Class Definition - All Sections” (SC269) screen.</p>
Scheduling	✓			32294	<p>New “Open Enrollment” features:  <i>SchoolMAX Open Enrollment User's Guide 4.1.0.</i></p>
Scheduling			✓	32899	<p>The “Individual Student Scheduler” (SC251) screen has been modified to use the “Effective Date” as the default date before the current date, when it is available.</p>
Scheduling			✓	36741	<p>The “Drop/Add Student Schedule” (SC253) screen has been modified to save the “version” number before deleting the Scheduler records.</p>
Scheduling			✓	37405	<p>The “Student Scheduling Information” (SC250) and “Class Definition” (SC260) screens have been modified to fix a problem where the “House” drop-down listbox was populated even if the ‘House’ option has not been selected.</p>
Scheduling			✓	37730	<p>The “Class Definition - All Sections” (SC269) screen has been fixed so that all fields are displayed in the same font.</p>
Scheduling			✓	38163	<p>The “Composite Course Definition” (SC261) screen has been modified to correctly display the number of segments in the “Nbr Of Segments” field.</p>
Scheduling			✓	38275	<p>The “Course Offering” (SC232) screen has been modified so that the values in the bottom portion of the “Next” field of the “Course” column are displayed completely.</p>
Scheduling		✓		40389	<p>The <b>SCSEATS2</b> Report has been modified with a new parameter that excludes students with a specified End Status Code from updates.</p>
Scheduling			✓	41563	<p>The <b>SCOPNPED</b> Report has been fixed to show all periods and open periods correctly.</p>
Scheduling			✓	42724	<p>The <b>SCBLDSTU</b> and <b>SCBLDSTU2</b> Reports have been modified to correct spelling errors in error messages.</p>

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
Scheduling		✓		43524	The <b>SCSTSCHD</b> Report has been enhanced with the new "Print Teacher" parameter, to optionally print the teacher name on student schedules.
Scheduling			✓	45347	The <b>SC010COP</b> Report has been modified to use the data in the "NCLB Core Course" field from the "State Course Definition" (SC234) screen.
Scheduling		✓		45840	The <b>SCCLSLST</b> Report has been enhanced to print the student's "House" value.
Scheduling			✓	47035	The "Teacher/Room Programs" (SC461) screen has been modified to no longer leave the detail list for a previous inquiry when changing the key values to a non-existent school number.
Scheduling		✓		47041	The "Course Definition" (SC231) and "Class Definition" (SC260) screens have been modified to remove buttons and reinstate the "Maintenance" box.
Scheduling			✓	47070	The "Class Definition" (SC260) screen has been modified to copy the "Highly qualified teacher status" to a new year.
Scheduling			✓	47545	The "Course Request/Teacher Preference/Exclusion" (SC252) screen has been modified to display 11 detail lines.
Scheduling		✓		48269	The "Class Definition - All Sections" (SC269) screen has been modified to replace the teacher listbox on each detail line with a "Teacher" input field. A "TEACHER LIST" drop-down listbox has been located above the detail lines for reference.
Scheduling		✓		48486	The "Class Definition - All Sections" (SC269) screen has been modified to change the "Teacher" field to a listbox to improve performance.
Special Education			✓	35271	The <b>SECASELOAD</b> Report has been modified so that the school name only prints once when sorting by 'School' and choosing to total by that sort.
State Specific – Alabama	✓	✓	✓	44613 44756 48364 48688	Screens, reports, and processes specific to Alabama
State Specific – Alaska		✓	✓	38630 43737 43997 48536	Screens, reports, and processes specific to Alaska
State Specific – California	✓	✓	✓	18424 40444 42615 42764 45905 46872 47063 48605	Screens, reports, and processes specific to California

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
State Specific – Georgia	✓	✓	✓	34650 38797 42687 44896 45517 45566	Screens, reports, and processes specific to Georgia
State Specific – Texas	✓	✓	✓	48654	Screens, reports, and processes specific to Texas
System Administration		✓		955 3013 41407 42042	The “ <b>District Additional Options</b> ” (SY076) screen has been modified with the addition of several new fields.
System Administration		✓		3013 41407	Enhancements have been made to add checkbox fields and raise Listbox limits for the “ <b>Student Program</b> ” (ST455) screen and others.
System Administration			✓	25730	Several screens have been modified to adjust the font styles and sizes for consistency across the application.
System Administration			✓	32648 36248 40993 44100	The “ <b>Staff Member</b> ” (SY230) screen has been modified to remove the extra comma that appeared after the teacher’s first name; the screen has been fixed to display correctly; and the home phone number of staff members can be deleted using the (SY230) screen.
System Administration		✓		34922 38464	The ‘GP-FILL-SRCH’ parameter has been modified so that if only one student found during a search, the Student Name is populated in the search box. The ‘GP-FILL-SRCH’ parameter has been modified so that the search drop-down listbox correctly starts with the first name in the list.
System Administration			✓	38378	Security has been modified so that only “Supervisor” and “9000” users may make changes to attendance data after the number of “Attendance period lock days” has passed, as set on the (SY076) screen.
System Administration			✓	40961	On the “ <b>Year-End Processing</b> ” (SY399) screen, if you select the clear lunch code flag and press <Enter> to save your changes, the flag now displays on the screen.
System Administration		✓		42042	An option has been added to restrict viewing a student’s SSN number for operators who do not have [Show SSN] set on the TOAS “ <b>Operator Security Information</b> ” (OS110) screen. These screens include the following: “ <b>District Default Values</b> ” (SY075) “ <b>District Additional Options</b> ” (SY076) “ <b>Family Member</b> ” (CE220) “ <b>Student</b> ” (ST405) “ <b>Student</b> ” (ST406) “ <b>Georgia FTE</b> ” (GA210) “ <b>Student Transcript Header</b> ” (TN210)
System Administration			✓	43802 46567	The <b>PHCALLEX</b> Report has been updated to create Edulink Autodial extract files for Hart County; and print the correct <b>PHCALLEX</b> phone extension.
System Administration			✓	46242	Modifications have been made to the “Print Keys” and “Reprint Keys Created Since” parameters, so that the address line will be correctly printed on the <b>SYSVACCESS</b> Report.

Module	User's Guide	Release Note	Summary Only	CRF	Summary Description of Change
System Administration		✓		47169	Modified the " <b>Student Test Scores</b> " (GS255) screen so that the InfoDriver display is correctly justified when the [Left-justify GS255 scores] checkbox is selected on the " <b>District Additional Options</b> " (SY076) screen.
System Administration		✓		47222	The " <b>Daily Counseling Log</b> " (SY233) screen has been enhanced with new fields.
System Administration		✓		PHCALLEX	Modifications have been made to the <b>PHCALLEX</b> Report to extract basic student personal information for interfacing with Food Service. The information includes SSN, student name and number, address, phone number, and the full name of the Head of Household.
--			✓	37555	The " <b>Report Options</b> " (RO210) printout has been modified to insert the user's initials into the "Requestor" field.
