HISTORY OF POPULAR MUSIC II – ANCHOR ASSIGNMENT

TIMELINE 1970 – 1990

Your anchor assignment is to create a 20 year time line. You will include items learned within the course but it will also require research outside of the classroom. We will not work on it in class, but your finished project will be displayed.

Here are your directions:

On a poster board, display a time line starting at 1970 and ending at 1990. Use markers, colored paper, computer art, etc. to create an eye-catching display. Make sure all writing is legible.

Here is a list of items that must be on your time line. You decide which examples you want to use. All examples need dates and a small description. You may exact dates or just month and year.

1. Include the Presidents: must have Nixon, Ford, Carter, Reagan, George H. W. Bush.
2. three number one hit songs
3. three number one hit albums
4. two big solo musicians (other than Jackson and Madonna)
5. three successful bands
6. two Michael Jackson events
7. two Madonna events
8. two MTV events (not doubled with MJ and Madonna)
9. two changes in music technology
10. two music charity events
11. two music scandals
12. two hit movie soundtracks
13. two clothing trends
14. three cultural trends (i.e. hula hoops, flower power, etc.)
15. three hit TV shows – one must be a cartoon
